

RECOVERING THE WORKER

Be a Mr. Jensen

**HOW CAN WE BE THE
BEST FOR OUR INJURED
WORKERS?**

WITHIN FOUR WEEKS OF THE INITIAL INJURY, THERE IS A 90% CHANCE THE EMPLOYEE WILL RETURN TO WORK...

After 6 months that drops to 50%...

...After 12 months that drops to 5%

**30% IN LOST
WORKDAYS**

**35% REDUCTION IN
MEDICAL COSTS**

**TOTAL WORKERS'
COMPENSATION
COSTS FELL BY 54%**

+ \$30,000 + \$15,000

The lack of return-to-work (RTW) options, is the number 1 greatest obstacle to achieving desired claim outcomes.
