Welcome:

Chairman Wallace Grills called the meeting to order and thanked Commissioner Davis for the approval of a new meeting space at the Millennium Maxwell Hotel.

Opening Remarks:

Karla Davis, Commissioner of the Tennessee Department of Labor and Workforce Development gave opening remarks and thanks to all State Board members. She explained recent changes in the department and the importance of open communication with all TDLWD staff members. In addition, Commissioner Davis explained the vision and expectations for all TDLWD divisions and the extreme focus on customer service throughout the State. She encouraged each board member to visit the department’s website to review the Top-To-Bottom Review and continual progress towards meeting the goals identified in this review. An overview of audit and Comptroller’s Report findings was provided as well as the steps put in place to correct those concerns and prevent them in the future. She briefly explained the vacancy in Administrator for Workforce Development and the process of looking for a replacement. Finally, she explained the internal review of processes and policies within the Workforce Development division in an effort to provide more training to staff and

Roll Call/Conflict of Interest Statement:

Board Coordinator Briana Johnson conducted the roll call and established the presence of a quorum. Ms. Johnson notified the board members that the Conflict of Interest, Acknowledgement/Disclosure, and Code of Ethics forms were on site for review and updates.

Approval of Minutes:

Jimmy Eldridge made the motion to approve the minutes from the full board meeting on December 2, 2011. Guy Derryberry seconded the motion to approve the minutes. Motion Passed.

Workforce Development Updates:

Assistant Administrator Susie Bourque provided an update on information pertaining to the funding allocations to local areas across the State by each program area for Program Years 2011
and 2012. This overview also provided a percentage change between the program years due to budget changes and reductions. Other information regarding labor force availability, job creation, warn notifications, total number of individuals employed and overall unemployment rates – all of this information did in fact show an improvement in Tennessee’s unemployment rate. Next, an update and historical view of the state’s National Emergency Grants (NEGs) was provided. This status report provided information for each grant, the period of performance, the award amount, and the status of the grant. In addition to the NEG grants, contact information for those areas involved and a status report was provided for the Disability Employment Initiative (DEI) grants across the state. Finally, an updated contact list was provided for all Workforce Development staff and their official and functional titles.

**State Legislature Update:**

Legislative Liaisons Karen Walker and Omari Winbush provided an update on the state legislature activities during the most recent session. Most information and activity concerned Unemployment Insurance and Worker’s Compensation as it related to TDLWD. There were several bills that affected the department and its activities. These bills are as follows: HB2212/SB2742 (Employment Security Division-Treasury Offset Program (TOP)-TDLWD Administration Bill, HB3429/SB3659 (Employment Security Division)-Separation Notices/ Tax Premium Notices & Details, HB3431/SB3658 (Employment Security Division) Unemployment Insurance Accountability Act of 2012, HB3430/SB3657 (Employment Security Division) - Seasonal Worker, HB2938/SB2727 (Employment Security Division-Work Opportunity Tax Credit Unit)- Electronic Signatures, HB2193/SB3241 (Employment Security Division)- Certification and Licensure, HB2309/SB2129 (Workforce Development Division and Employment Security Division)-Tennessee Works Act, HB2861/SB2511 (Adult Education Division)- Alternative Pathway, HB3372/SB3315 (Workers' Compensation Division)-Pain Management, HB2808/SB2923 (Workers' Compensation Division)- Consultation Fee Changes, HB1379/SB1325 (Employment Security Division, Adult Education Division, Workforce Development Division)- Systematic Alien Verification for Entitlements (SAVE) Program, HB3253/SB2625 (Workplace Regulations & Compliance Division)- 30 Minute Breaks, HB2924/ SB282 (Workplace Regulations & Compliance Division)- Right to Work, and HB3428/SB2193 (TOSHA Division)- Distance Violation.

The most important bill effecting Workforce Development is the TN Works Act which creates the Tennessee Works Pilot Program. This bill requires TDLWD to administer the program by awarding reimbursable training grants to privately owned businesses for the purpose of training new and existing employees in the state. The purpose of the Tennessee Works is to provide reimbursable grants to privately-owned businesses for "screening of potential employment of" new and existing employees in this state. Requires Tennessee Works Pilot Program grants to be used for eligible training expenses of a dislocated worker who is a first-time unemployment claimant or whose job is lost due to workforce off-shoring and who is currently under a valid trade petition. The Department is required to report by January 1, 2014, to the Commerce Committees of the House and Senate, however the bill will become effective January 1, 2013.
Customer Service Satisfaction Survey Update:

Lee Grehan, Associate Director of the Sparks Bureau of Business & Economic Research at the University of Memphis, provided an update on the Customer Satisfaction Survey and its functionality for TDLWD. The current activities include but are not limited to WIA Federal report support *(DolceVita)*, Survey Research, and Technical Assistant. Due to budget changes and reductions, the employment survey was eliminated and the client survey was downsized beginning July 2011. The revised survey process is as follows: participants are called the quarter after they exit and all client data is collected directly from ECMATS containing all participant information. Incumbent workers and duplicate participants are eliminated from the overall sample and then used to create the random sample for the State. A postcard is sent to the participant to notify them of the upcoming card, call is made to the participant to collect survey information, and finally the information collected from the survey is used to generate quarterly reports that are sent to the State. There has been a reduction in total contacts from 2010-2011 to 2011-2012 from 5,725 participants to 1,576 participants. While the overall numbers of participants contact decreased, the contact rate, unusable numbers, average attempts, refusal to take survey, and unavailable contacts remained the same.

Financial Report Update and Technical Assistance:

WIA Fiscal Liaison, James Roberson, provided an update to the Financial Report as a follow-up to second quarter expenditures and obligations from the Strategic Planning meeting. The new financial report reflects each area is expended through PY 10 and FY 11 and most areas have 20% increased in expended and obligated funds for PY 11 and FY 12. Those areas with expenditures and allocations lower than 30% will be contacted by TDLWD staff to address those issues and to develop an improved financial report for fully expended funds by the years’ end.

Committee Reports:

Operations Committee

Operations Committee Chairman John Greeter thanked the committee members for their attendance and input. Other member in attendance included: Zack Stansell. Committee Liaisons in attendance: Patrick Bleecker and James Roberson. Additional staff in attendance: Sterling Van Der Spuy. Additional guests included Lee Grehan and Commissioner Karla Davis.

Pat Bleecker reviewed the special called meeting of the committee on March 8, 2012 as it regards the presentations from AFL-CIO, Fee for Service and the University of Memphis. The committee agreed the staff’s recommendation for the program budget, subject to the board’s approval.

Committee Chair, Guy Derryberry thanked the members in attendance: Bethany Lay and Eliot Mitchell. Additional attendees were: Susie Bourque and Policy Liaisons, Roosevelt Noble and Simi Atolagbe. Directors present: Margaret Prater, Rick Layne, Windy Wilson, and Jan McKeel. Roosevelt Noble discussed the information security policy, guidance on requesting rapid response funds, and local funding formula. Simi Atolagbe discussed the wage policy for SCSEP and how it is being brought into compliance the federal regulation for wage consistency. In addition, the duration of time for participants in SCSEP was discussed as it relates to the purpose and intent of the program and servicing as people as possible. The new limit will be 5 years effective August 15, 2012.

The Policy Committee also discussed the dispersion incentive funds and policy and greed that TDLWD staff would contact area directors regarding the amount and disperse the appropriate fund spending the board’s approval at September’s Executive Committee Meeting.

**Continuous Improvement Committee**

Committee members in attendance: Yolanda Shields, New Chair, Craig Butler, New Vice Chair, and Niketa Hailey-Hill. Staff and Committee Liaison in attendance: Dan Holton, Joey Czarneski and Deputy Commissioner Alisa Malone. Visitors in attendance Marla Rye, Nancy Brown, Anna Smith, and Brian Clark. New Committee Chairman Yolanda Shields made the following report:
Points of discussion for the committee were as follows: US DOL Federal Incentive Award is in a pending state causing the local announcements to be delayed; Annual Report does show attainment of all goals so an incentive award is expected for the State. Waiver Request approvals have been received for the evaluation and local incentives. Confidentiality Audit Outcomes were proven in an excellent audit report. In regards to adjusted regression targets, these are based on objective factors and the local targets for 2012 are now aligned with the State targets. Both the State and local targets will be published publically and Tennessee ranks at the top regionally for performance. In regards to local performance improvement, 6 local areas were under mandatory technical assistance for PF 2009 performance outcomes, however all improvement plans have successfully been submitted.

Finally, the WIA Incentive and Sanction Policy is in draft form and includes the following provisions: local data validation error rates and awarding local incentives if State gets Federal award. This policy will be submitted to the Policy Committee for review and approval when finalized.

Closing Remarks:

With no further business to come before the Board, the meeting was adjourned with Chairman Grills reminding everyone to mark their 2012 calendars for future meeting dates.
