SECTION 1 – APPLICATION SUMMARY AND REQUIREMENTS

Introduction

The Tennessee Department of Labor and Workforce Development, Division of Adult Education, announces the availability of funds provided through the Workforce Innovation and Opportunity Act: Title II; the Adult Education and Family Literacy Act (AEFLA) to deliver services as a resource center for Integrated English Literacy and Civics Education (“IELCE”) implementation activities, specifically, the design, formation and support of WIOA compliant IELCE programs.

In this Application for Funding, all federal requirements are identified in italics. Any requirements not in italics are state.

Applicable Laws and Regulations

The funds for this grant are allocated to the Division of Adult Education by the United States Department of Education (USDOE), Office of Career Technical, and Adult Education (OCTAE). Additional federal statutes governing local funding include the General Education Provisions Act (GEPA) and Education Department General Administrative Regulations (EDGAR). See Resources section for websites.

Grantees shall ensure that auditable and adequate records are maintained which support the expenditure of all funds received through a contract with the Division of Adult Education.

The Division of Adult Education reserves the right to reject any or all applications for failure to submit an application in accordance with the instructions in this application packet or by the specified deadline. Receipt of applications by the Division of Adult Education confers no rights upon the applicant nor obligates the Division of Adult Education in any manner.

The Tennessee Department of Labor and Workforce Development, Division of Adult Education, will make awards to responsible applicants who demonstrate the ability to perform successfully under the terms and conditions of this application for funding. Consideration will be given to such matters as applicant integrity, compliance with public policy, record of past performance and financial and technical resources.

In this Application for Funding, all federal requirements are identified in italics. Any requirements not in italics are State.

**Review of Applications**

Reviewers of the applications will note the thoroughness of the proposed plan by specific criteria. Each section of the application will be evaluated and scored on the basis of completeness, clarity, and merit. Although the applicant may have provided the same or similar information in a previous section, the information should be included in each section where applicable to fully explain, answer or clarify.

Reviewers will read and score the applications using a scoring rubric (see Scoring Rubric included in the appendices.) The rubric indicates the point values and items described in the Program Application Format section. The minimum score to qualify for funding is 70% or 70 total points. One eligible provider for the service delivery area will be recommended for funding based on scores as evidenced by thoroughness of plan, evidence of previous program effectiveness and sound, research-based practice and evaluation. Applications should follow the outline defined in the “Program Application Format” section.

Where multiple applications are received for a service delivery area that meet the minimum score and qualifications, the applicant having the highest score for that service delivery area will be awarded the grant. In the event that no eligible agency meets the minimum score and/or qualifications for a service delivery area or if no eligible agency applies, a new Application for Funding will be posted for other eligible agencies to submit an application.
Records Management

All records of fiscal transactions and accounts related to this grant will be retained for a period of five years and student records for three years. Grantees will make such records available for inspection and review by Division of Adult Education personnel.

Fiscal Management

Amounts reported as expenditures for reimbursement must be for allowable services after the expense is incurred or the grantee may elect to receive payment via advance drawdown. Records must show that those who received services or benefits were eligible to receive them.

Funds for grants will be used to supplement and not supplant the amount of state and local funds available for uses specified in the Workforce Innovation and Opportunity Act. The term supplanting means to deliberately reduce local funds because of the existence of federal funds.

Funding levels are subject to revision based on availability of federal and state funds. The grantee will comply with all fiscal policies.

All duties and responsibilities of state-funded adult education positions must be dedicated to adult education and literacy activities.

SECTION 2 – APPLICATION COMPLETION INSTRUCTIONS
