3. Fairness and Consistency: Grantee’s individual durational limit policy is uniformly applied to each and every participant served by all of the Grantee’s new local projects.

5. Grievance Policy: Grantee’s SCSEP grievance procedure is in effect for any participants who wish to appeal durational limit terminations, and a copy is given to each participant whenever the participant is informed of any durational limit termination. This will continue with the new policy.

6. Sub-grantees should identify other relevant community partners and should collaborate with SCSEP partners, including the One Stop Career Centers, to ensure that during the transition process participants have the opportunity to use the services of SCSEP partners. The Career Centers provide employment services, resume writing, interviewing workshops, etiquette classes, GED testing, Career Readiness Certificate testing, and education training opportunities.
