Introduction to the Work Opportunity Tax Credit

The Work Opportunity Tax Credit (WOTC) exists to incentivize private employers to hire individuals who consistently face significant barriers to employment. This initiative serves to target specific groups such as:
- Temporary Assistance for Needy Families Recipients (TANF)
- Unemployed and Disabled Veterans
- Ex-Felons
- Individuals living in Empowerment Zones
- Vocational Rehabilitation Referred Individuals
- Summer Youth Employees (living in Empowerment Zones)
- Supplemental Nutrition Assistance Program (SNAP) Recipients
- Supplemental Security Income (SSI) Recipients
- Long-Term Unemployment Recipients

The Work Opportunity Tax Credit is a Federal program that was initiated by passage of The Small Business Job Protection Act of 1996. The most recent WOTC authorization was passed on December 18, 2015 when President Obama signed the Protecting Americans from Tax Hikes Act of 2015 (the PATH Act) into law.

The PATH Act:
- Retroactively reauthorizes the WOTC program target groups for a five-year period, from December 31, 2014 to December 31, 2019.
- Extends the Empowerment Zones for a two-year period, from December 31, 2014 to December 31, 2016.
- Introduces a new target group, Qualified Long-Term Unemployment Recipients, for new hires that begin to work for an employer on or after January 1, 2016 through December 31, 2019.

How WOTC Works

Tax credits that employers can earn through WOTC are based upon three factors:
- Target group of individual being hired
- Wages paid to the new hire
- Amount of hours worked

Maximum tax credits in the WOTC program allow business hiring first-year employees to be reimbursed up to $4,800 to $9,600 for disabled veterans, $4,000 for long-term recipients of Temporary Assistance to Needy Families (TANF), $1,200 for summer youth employees, and $2,400 for all other target groups.

Impact of WOTC on the Workforce

The Federal WOTC program annually returns over $1 billion to businesses. In Calendar Year 2016 Tennessee expects to issue 100,086 certifications which could potentially return $198 million in tax credits to employers. The five most utilized target groups were:

- 64,522 certifications for those receiving Supplemental Nutrition Assistance Program (SNAP – Formally known as ‘Food Stamps’)
- 2,552 certifications for short-term TANF recipients
- 2,209 certifications for long-term TANF recipients
- 907 certifications for ex-felons
- 822 certifications for veterans

There is no limit to the number of new hires that qualify for the tax credit. The credit, or any unused portion, can be used toward the tax liability of the previous fiscal year or forward 20 fiscal years from the date the employer received the tax certificate.

How to Apply

Applying for a tax credit is fast, easy, and only requires the completion of two forms: the IRS 8850 (Prescreening Notice and Certification Request) and ETA Form 9061 (Individual Characteristics Form). Both are located at the back of this handbook. The simple five-step process to submit applications for WOTC review is as follows:

1. **On or before** the date the job is offered the applicant must fill out, sign, and date the paper IRS 8850 form located at the back of this handbook under ‘Resources’.
2. Once the decision to hire has been made the employer must complete the second page of the paper IRS 8850 form located at the back of this handbook under ‘Resources’.
3. **On or before** the first day of hire the employer must fill out the paper ETA Form 9061 located at the back of this handbook.
4. After the paper forms are completed the employer **must** submit an electronic application through [www.tn.gov/workforce/article/work-opportunity-tax-credit](http://www.tn.gov/workforce/article/work-opportunity-tax-credit)
5. An online application must be submitted **within 28 days** of the start date.

6. All determinations will be issued through the online portal. Employers then claim the tax certificate as a general business credit on Form 3800 against their income tax liability; tax-exempt organizations claim the credit on Form 5884-C as a credit against the employers share of payroll tax. These documents are located in the back of this handbook under ‘Resources’.

7. Further information on filling out and filing the Form 3800 and Form 5884-C can be found at: [www.irs.gov/businesses/small-businesses-self-employed/work-opportunity-tax-credit-1](http://www.irs.gov/businesses/small-businesses-self-employed/work-opportunity-tax-credit-1)

**Benefits of the Online Portal**

The online portal is a user friendly platform to:

- Upload a single Excel spreadsheet to submit multiple applications
- Streamline the review of applications
- Interface with other Tennessee agencies for rapid information sharing
- Promote an expedited issuance of determinations
- Reduce environmental impact
- Manage applications
- Run reports
- Manage audits

Contact us directly by email at WOTC.info@tn.gov or by phone at 844-216-8495
Although applications will be received, and credits will be issued, electronically it is mandatory for the legal forms holder to maintain paper copies in the event of an IRS audit.

**Troubleshooting**
Both the Employer User Guide and Consultant User Guide can be found in four easy steps:

2. Click the “Apply for Tax Credit” button toward the upper right of the screen:
3. Click either the “Employer User Guide” or “Consultant User Guide” button:

4. Once the “Employer User Guide” or “Consultant Use Guide” button is clicked a PDF will open onto the screen. This will provide step by step instructions for registration.
