TENNESSEE CLAIMS FILING REQUIREMENTS

1. Tennessee law requires that every adjusting entity submit Tennessee's First Report of Injury (FROI) form to the Bureau as soon as possible in all cases where the reported injury results in the need for medical treatment, restricted work, the inability to work, or death. The FROI is accepted via EDI only.
2. Subsequent reports are required throughout the life of the claim and may have differing timeframes. The specifics on timeframes can be found in the Tennessee FROI Event Tables (separate document).

A. Tennessee Claims forms that have an equivalent electronic (EDI) filing:

Form Type	State Form	EDI Transaction
First Report of Work Injury	C-20	FROI MTC 00
Notice of Denial	C-23	FROI MTC 04, SROI MTC 04, SROI 4P
Notice of Change/Termination of Benefits	C-26	SROI MTC CA = Change Benefits
Notice of Change/Termination of Benefits	C-26	SROI MTC S1/S9 = Termination of Benefit
Notice of Final Payment	C-29	SROI MTC FN

Important Notes:

1. The C-20 First Report of Injury, MTC 00 will be required on medical only and loss time less than 8 days. This replaces the old C-21 form that is no longer used.
2. The C-29/FN must be filed on all claims that do not result in permanency (settlement).
3. All cases that result in permanency will require the filing of the Statistical Data Form (SD-1/SD-2) and must be filed by the carrier with the court or with the Bureau at the time of settlement. (Failure to file a completed SD-1/SD-2 could result in having the settlement set-aside.)

B. Paper claims forms that must be filed with the Bureau, as no equivalent electronic (EDI) filing exists:

C-23	Notice of Denial- See note below	SD-1	Statistical Data Report
C-27	Notice of Controversy	SD-2	Statistical Data Report
COT	Court Order		

Important Notes:

1. The C-23 Notice of Denial must be filed via EDI and paper.

C. Other Required EDI transactions that have no paper equivalent

PY report of all payments other than indemnity, such as medical payments. This report is due when the first medical payment is made on the claim. Data Element Number 74, Claim Type should = Med Only.

AN Annual Report is due by September 1st for all claims that are open as of June 30th each year. Open claim means a SROI FN has not been filed or a paper form SD-1/SD-2 and Court Order has not been filed.
