Director, Employer Services

**DATE:** May 1, 2024

**SUBJECT:** Employee Dislocation Notification  
National Aerospace Solutions, LLC (NAS)  
WARN # 202300051

National Aerospace Solutions, LLC (NAS) has filed an official WARN Notice with the Tennessee Department of Labor and Workforce Development, notifying the agency of a permanent layoff on June 30, 2024. The company is located at 100 Kindel Dr., Arnold Air Force Base, Tullahoma, TN 37389. The total number of affected workers is approximately 1,700 Tennessee employees. While NAS does not have insight to how many of our incumbent workforce will be offered employment with the successor contractor, we do believe a large majority of our employees will be offered a position to continue to work at Arnold AFB. The company notified the Tennessee Department of Labor and Workforce Development's Dislocated Worker Unit on April 30, 2024.

The employees at the facility are represented by a collective bargaining agreement but do not have bumping rights. The Southern Middle rapid response team, employed by South Central TN Development District, has been notified to coordinate services with the employer and affected employees. The Southern Middle Local Workforce Development Board will be responsible for the oversight of the continued follow-up of Rapid Response and Dislocated Worker services associated with this event. If you need additional information or have questions, please contact the Dislocated Worker Unit at (615) 253-6355.
