# TDOC System Overview

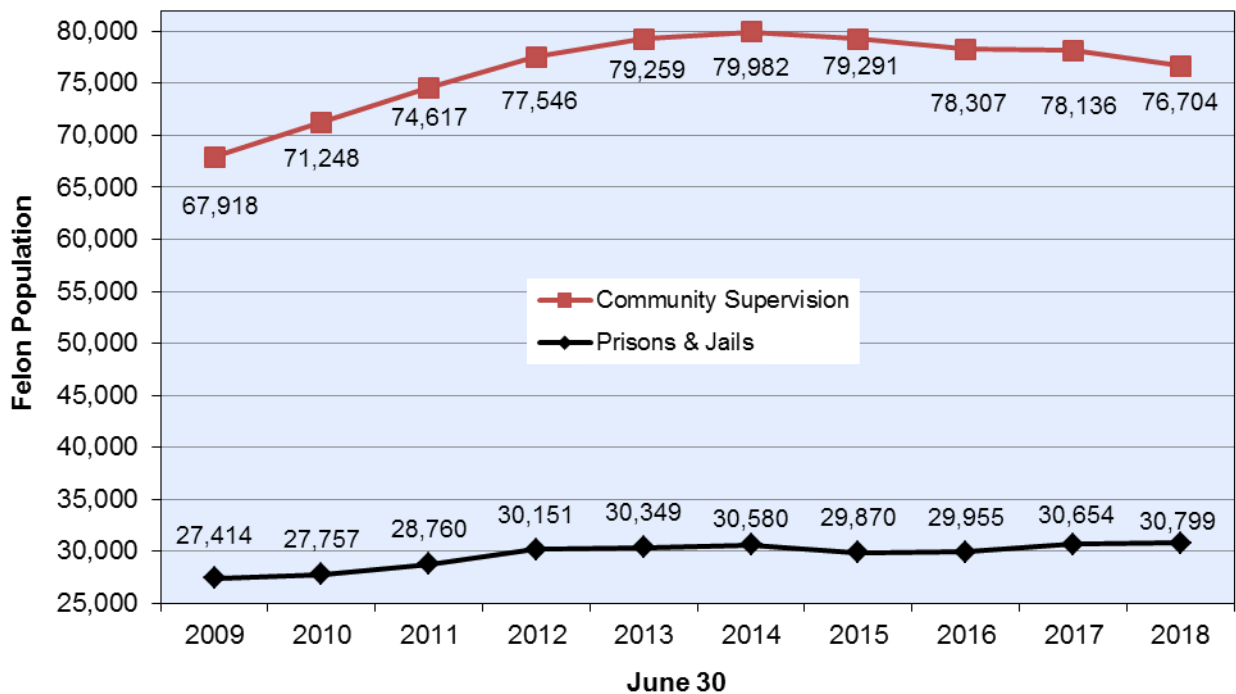

**SYSTEM OVERVIEW**

The Tennessee Department of Correction (TDOC) works with the law enforcement community to enhance public safety by operating safe and secure prisons and providing effective community supervision.

At the end of Fiscal Year 2018, the Tennessee Department of Correction supervised 107,503 convicted felons. The incarcerated felon population at the end of Fiscal Year 2018 was 30,799 inmates, housed in 14 prisons, ten operated by TDOC and four operated by CoreCivic. In addition, a portion of these convicted felons are also housed in local jails across the state. The Community Supervision system, consisting of probationers, parolees, and community corrections' agencies, supervised another 76,704 felons in the community.

This annual Statistical Abstract provides detailed information on the Department of Correction, felon inmates, felon offenders supervised in the community, and the rehabilitative and educational programs targeted at helping felons have a better chance at being successful in the community.

### Correctional Officer Salary Comparisons

The ability to recruit and retain qualified staff continues to be a concern for the Department. Because salary levels are critical in recruitment and retention of staff, the Department closely monitors other correctional and law enforcement agencies to compare its salaries with those offered by agencies performing similar functions.

#### Average Starting Annual Salaries: Neighboring States

State DOC	Average Starting Salary
North Carolina	\$30,856
Kentucky	\$30,000
Alabama	\$29,954
Virginia	\$29,596
Georgia	\$29,488
Missouri	\$29,368
Arkansas	\$29,046
<b>Tennessee</b>	<b>\$27,329</b>
Mississippi	\$24,903

When compared to neighboring state correctional departments, TDOC ranks 8<sup>th</sup> in the average annual starting salary for correctional officers. Of the 15 states participating in the Southern Legislative Conference (SLC), Tennessee places 11<sup>th</sup> – with an average starting salary slightly below the SLC average of \$28,983.

Source: Southern Legislative Conference – July 2017.

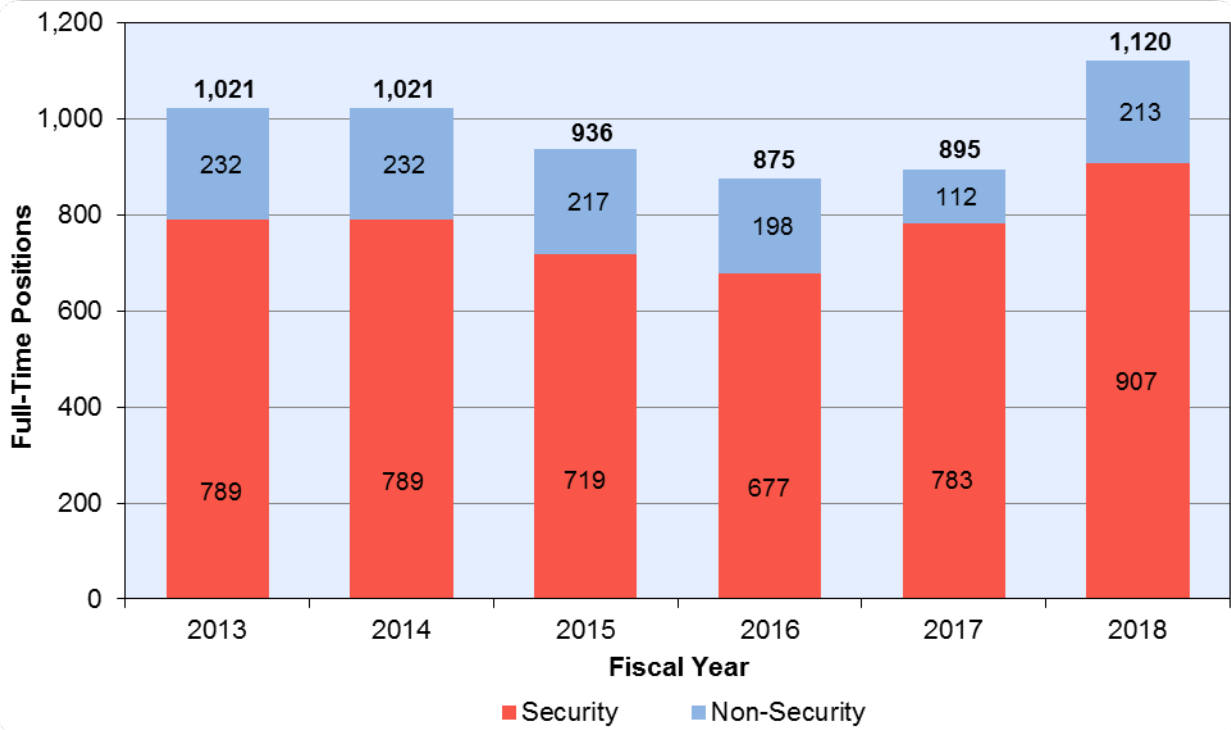

#### Average Starting Annual Salaries: Federal & TN Counties

Federal Bureau of Prisons	\$41,187
Shelby County Sheriff's Office	\$38,135
Davidson County Sheriff's Office	\$39,362
Hamilton County Sheriff's Office	\$32,090
Knox County Sheriff's Office	\$32,688

TDOC also ranks low when compared to other correctional and law enforcement agencies located near some of our facilities. These are some of the agencies with whom we compete directly in the recruitment and retention of uniformed staff.

**INCIDENT REPORT USER'S GUIDE**

The monthly Incident Report provides a summary of TDOC incidents that have occurred at facilities operated by TDOC and those contracted for operation by CoreCivic. The CoreCivic operated facilities are HCCF, SCCF, TTCC, and WCFA.

"Incident" refers to an event that has been documented in the Tennessee Offender Management Information System (TOMIS).

Causes of Death may change after the death certificate is received.

Please note that most incidents reported in the monthly summary may include more than one participant or infraction while other incidents are by definition about a single participant (ex: death or suicide).

The Incident Summary does not include the following incidents:

This designation reflects a tenuous mental status that is easily overwhelmed by everyday pressures, demands, and frustrations.

**Level IV:** Supported living unit services are indicated when an inmate's ability to function in general population is severely impaired due to serious and persistent mental illness. This level reflects active symptoms of a major mental illness and impaired reality testing.
