### **DIVISION OF HEALTHCARE FACILITIES**

Licensee: Nookie's Loving Care Home (Home for the Aged)

Violation: Failed to submitted any architectural plans to the Plans Review Department as required by an Order issued by the Board for Licensing Health Care Facilities on May 4, 2016 Board Order. The failure to submit architectural plans for approval means that the Respondent continues to use an addition that does not meet the Department's building standards, which includes fire safety standards. The existence of the addition, which is attached to the original home, is detrimental to the welfare of the residents in the home.

Action: Respondent's license is Voluntarily Surrendered.

Licensee: Autumn Hills Assisted Living (ACLF)

Violation: Failed to protect residents from fire by not ensuring sprinkler systems were

working and failed to maintain documentation of sprinkler systems repairs, maintenance and inspections. The facility's Post Indicator Valves (PIVs) # 3, 4, and 5 failed inspection and were not repaired. PIVs # 3 and 1 were not visibly open. The four (4) PIVs serving the building were not locked and failed to ensure there was a fire control plan. Respondent did not conduct fire watches during the time when the sprinkler systems were not working and failed to implement procedures to minimize potential injury and damage.

Action: Respondent was assessed one (1) civil monetary penalty in the amount of five hundred dollars (\$500.00).

Licensee: Elmcroft of Shallowford (ACLF)

Violation: Failed to administer medications per physician orders for one resident, failed to clarify the duplication of a prescription order administered to one resident, failed to provide the narcotic administration countdown record for six (6) Dronabinol [Schedule III Narcotic Marino] 2.5 milligram (mg) capsules after delivery by the pharmacy for one resident and failed to provide medication administration records for eighty-five (85) Hydrocodone 10 mg with Acetaminophen 325 mg tablets for Resident #5., and failed to provide for the following in the residents' medical records: narcotic records of destruction; list of medications returned to the residents at the time of discharge; inventory of medications returned to the pharmacy for credit; inventory of medications delivered to the facility from the pharmacy for each resident; reimbursement records for resident's missing medications; and inventory lists of medication brought to the facility at the time of admission.

Action: Respondent was assessed three (3) civil monetary penalties; five hundred dollars (\$500.00) for failing to provide for the safety of residents; two hundred fifty dollars for not maintaining accurate information on the medication administration report including the documentation of medication errors; and two hundred fifty dollars for not including required information in the residents' medical records. The total assessment is one thousand dollars (\$1,000.00).

Licensee: Maple Ridge Manor (ACLF)

Violation: Failed to have documented plans and procedures for evacuation of residents, failed to ensure all residents could evacuate the building within thirteen minutes, failed to ensure fire protection for residents, and failed to produce documentation of any fire drills conducted in 2015.

Action: Respondent was assessed one civil monetary penalty in the amount of five hundred dollars for failure to evacuate a resident within 13 minutes; the assessment of one civil monetary penalty in the amount of five hundred dollars for failure to ensure fire protection for residents by eliminating fire hazards; one assessment in the amount of two hundred fifty dollars for failure to have documented plans and procedures for evacuation of residents; and one assessment for two hundred and fifty dollars for failure to conduct fire drills. The total assessment is one thousand five hundred dollars (\$1,500.00).

Licensee: The Waterford in Sango (RHA)

Violation: Failed to ensure 7 staff members who provided direct care were free of communicable disease or had a current Tuberculin (TB) Skin Test results; failed to ensure that a resident who required total care and could not self-administer medication was transferred to a facility with a higher level of care, failed to assume responsibility for the safety of the residents by not ensuring all staff followed

infection control procedures to prevent possible cross-contamination, and failed to ensure the self-administration of medications or administration by a licensed nurse for 6 residents observed during 3 medication administration passes.

Action: Respondent's license was placed on probation for no less than six (6) months with terms.

**ABUSE REGISTRY**
