2024 SPRING TURKEY QUOTA HUNTS

SPRING TURKEY DRAW INFORMATION

A computer drawing will be held to determine successful applications based on the priority drawing system.

Priority Drawing System: TWRA's priority drawing system gives priority points to hunters based on the number of years that they have applied for the Spring Turkey quota hunt without being drawn for a hunt. Applicants who were successful last year will start over with a priority of zero. When applying as a party, all priority points within the party will be averaged to the nearest whole number. **Successful applicants must have an email address** associated with their TWRA license account in order to receive their permits. **Permits are not transferrable.**

DEADLINE: JANUARY 10

HOW TO APPLY

- You must apply through the app (TWRA on the Go), online at <https://quotahunt.gooutdoorstennessee.com>, at a TWRA license agent, or at a TWRA regional office. You may submit an application, view your priority point status, and edit your application online and via the mobile app up until the deadline. You will need to provide your date of birth, last name, and one of the following: driver's license, last four digits of your Social Security Number, or TWRA ID number. If you have any problems while applying, please call 615-781-6621 during regular office hours (8:00–4:30 CST). Mailed applications will not be accepted.
- No application will be accepted or changed after the deadline. You may **begin applying December 20, 2023**. The **deadline is 11:59 p.m. CST, January 10, 2024**.
- Customers with a valid Annual or Lifetime Sportsman license will not be charged any fees to apply. All other license holders will be charged \$12 for the application. If you apply at a license agent, there is a \$1 agent fee. If you apply on the internet, the fee is \$2. Application fee(s) are non-refundable.
- **No refunds will be made.**
- **Receipt and deposit of permit fee does not constitute permission to participate in any hunt.** Applicants should review their application receipt upon completion to ensure accuracy.
- **No person may apply for a particular quota hunt more than once.**
- Youth hunters (ages 6 to 16 by the date of the hunt) may apply, but must be accompanied by a non-hunting adult 21 years or older.
